# GUEST SPEAKER

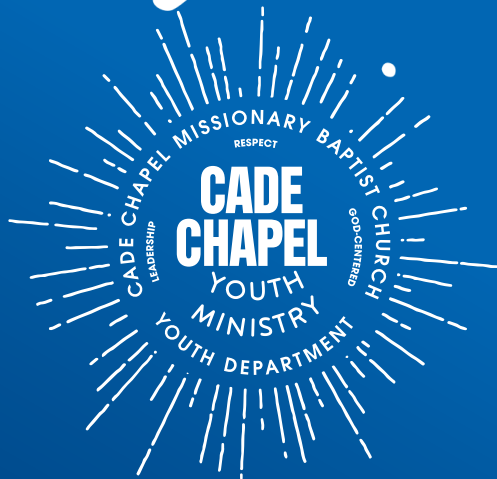

**Pastor Porsche Renee Moore**  
STRONGER HOPE BAPTIST CHURCH

"I can do all things through Christ, which strengthens me." - Phil 4:13

As a testament of Porsche Moore's faith, this scripture has been the guiding light for her career as a minister of the gospel and through her walk of everyday life. Porsche Moore, is a young motivational evangelist, born and raised, in the capital city of Jackson, Mississippi. She hails from a family whose deeply rooted and cemented legacy entails an invested commitment to the work of the Lord. Her family dynamic is full of generational blessings like singing, preaching, pastoring, and the gift of prophetically leading souls to salvation.

Pastor Moore was called to join this dynamic legacy by way of pastoral ministry in 2015. Currently, she serves as the Youth Pastor and the Director of the Performing Arts Ministry at her home church, Stronger Hope Baptist Church. In 2018, Porsche obtained a Bachelor of Arts in Sociology from The Historic Tougaloo College and in 2021 a Master of Arts in Biblical & Theological Studies at Belhaven University. She is now pursuing her Doctor of Ministry Degree at Wesley Biblical Seminary.

Pastor Moore enjoys living every day as if it could be her last. Therefore, she enjoys spending time with children, mentoring, and leading them to live a life like Christ. She is young, saved, and happy, which is an impressive example for our youth today as they make the commitment to follow and remain in Christ. Her lifelong work is dedicated to giving back to her community, especially the youth, because she truly believes and understands that it takes a village to raise a child.
